Dear Madam,

We're pleased that you and your students are interested in touring our plant operations to learn more about us and the manufacturing industry! I would like to schedule a day and time that are mutually agreeable on **16.02.2019.**

We hope to make this experience one that will be useful to you and your students to help educate them regarding what our company manufactures and gain a better understanding of the manufacturing industry.

Once we have a date and time for the plant tour, I will send out additional information regarding what to expect and logistics.

Thank you for your interest and I look forward to hearing from you soon!

Sincerely,
